INTRODUCING CALLENDAR HOUSE

Historic house, contemporary art gallery and 5 star visitor attraction.

Step into the past in our working Georgian kitchen; discover a World Heritage site - a section of the Roman Antonine Wall or the newly created John Muir Way. For a contemporary perspective on art and heritage explore the exhibitions in the Park Gallery and 2nd Floor Galleries.

Our tearoom provides stunning views over Callendar Park and is a perfect location to enjoy our seasonal Scottish menu and delicious homebaking.
