and the surrounding area

Falkirk's central location makes it an ideal location to host your conference, meeting or away day exhibition.

Only 25 minutes by train from Edinburgh and Glasgow and directly adjacent to the M9 and M8 - Falkirk is ideal if you are hoping to draw an audience from throughout Scotland or even further afield.

We have a great range of hotels, historic properties and unique venues such as Callendar House, The Falkirk Wheel and Falkirk Football Stadium to host your event - you could even have an event on a canal barge.

The list below provides details of venues for your meeting in the Falkirk area.
